REPLY TO INTERVIEW SUMMARY

Honorable Commissioner of
Patents and Trademarks
P.O.Box 1450
Alexandria, VA 22313-1450

Sir:

In a telephone interview with Examiner Tran on December 12, 2005, the undersigned counsel provisionally elected Group I, claims 1 -22 and 39 – 53, and requested that the patent office waive any fees which may be due because of the USPTO's failure to associate this case with Customer No. 34,756. In a follow-up interview the same day, the Examiner indicated that he had consulted with the assigned SPE, that the patent office would waive all such fees, and the application would proceed to substantive examination for the elected claims.

In addition, yet another Change of Correspondence Address has been submitted, because the USPTO has again failed to associate this application with the Customer No. 34,756, and once again mailed the Interview Summary to a previous address. The additional Change of Correspondence Address has been transmitted via facsimile on January 7, 2006, without a transmittal form, so that the Change of Correspondence Address will not be mistaken for a Power of Attorney (which is how the previous Change of Correspondence Address appears via Public PAIR).
